STREET GUIDE

The Street Guide will save time, save money and make money!

DELIVERIES, SERVICE CALLS, EMERGENCIES... *Get to the right place fast!*

- Identify precise location of an address from nearest cross-street
- Verify correct addresses for deliveries
- Find out multiple occupants of apartments
- Locate businesses in office complexes
- Verify telephone orders (and defeat prank calls!)
- Use closest neighbor and/or nearest phone for emergency situations

COLLECTIONS & INVESTIGATIONS... *Find hard-to-locate people*

- Prevent uncollectable accounts—verify homeownership and length of residency, indicators of stable credit
- Find multiple occupants at an address (not just telephone subscriber)
- Contact neighbors to obtain whereabouts of desired person

➢*Also cross-reference the Alphabetical Section to identify place of employment... to contact people at work.*

SALES... *Find your next customers*

- Target by street or section of city (area of town indicates income level)
- Find new movers—they spend more than the average household
- Use homeownership and length of residency as indicators of stable credit
- Target your sales efforts to any of the following groups:
  - *homeowners*
  - *new movers*
  - *singles or married couples*
  - *apartment tenants*
  - *long-time residents*
  - *neighbors of current customers*
- Find multiple adult residents, an indicator of buying power
- Determine names of prospects in your sales territory
- Send personalized direct mail with complete name and mailing address (including zip)
- Contact prospects and customers not listed in the phone book

➢*Also look to the Alphabetical Section for more information on residents, such as occupation and employer, or to confirm dual-incomes.*

Symbol Legend

= homeowner | 2 = length of residency (years in directory) | N = new neighbor (new to address since last edition) | + = intersecting street

CITY DIRECTORY HELPFUL HINTS

Please review the section dividers to learn how you can use your City Directory to make and save money!

Did you know you can find a listing of abbreviations used in your City Directory following the Street Guide section?

Did you know if you call a residence with no answer, you can flip to the Alphabetical section (white pages) to find out their place of employment to contact them at work?

If you're in need of a product or service, you can look them up in the Business section (yellow pages). Then look to the Street Guide (green pages) to find the exact location of the business.

Did you know that the Alphabetical section (white pages) contains spouse, homeownership, occupation and employee information?

Have a question or comment about how we can serve you better? Let us hear from you at 1-800-275-7655.

AMERICAN CANCER SOCIETY®

THERE'S NOTHING MIGHTIER THAN THE SWORD

Here's what Satisfied Customers have been saying for over a century —

"While we have subscribed to other directory services, your product is far superior in accuracy, readability and completeness."

Karla Anderson, Co-owner
RRCA Accounts Management, Inc.
Sterling, IL

"We purchase a copy of the Polk City Directory every year because it helps our office function effectively. I use it at least weekly to find information about community leaders, members or visitors. The occupation and name of spouse data has proven to be very beneficial."

Pastor James W. White, Jr.
St. Giles Presbyterian Church
Raleigh, NC

"When developing databases for use with our targeted direct mail projects, we find that the Polk City Directory is far more comprehensive than any other source. We find it particularly useful to know the number of employees each business has — since many of our products are primarily useful to businesses of certain size ranges."

Wes Stant, President
The Stant Agency, Inc.
Crestview, FL

"The Polk City Directory has been a big help to our business. We use it to apply information to contracts which are incomplete, to locate people and for cross-referencing purposes."

John Mellor, Vice President
Tesco Lighting and Design
Fairbanks, AK

"The Polk City Directory has provided invaluable service to the city fire department for years. For example, in preparation of our data bank for the Emergency 911 System, the book was ***the correcting guide*** for street and house number information."

Denny W. Kelly, Fire Chief
Fredericksburg Fire Department
Fredericksburg, VA

"We buy the Polk City Directory of Victoria every year. It is a valuable "quality service" tool. Telephone operators who schedule donation pickups use it several times a week to verify addresses and phone numbers. The sale of donated goods is our non-profit society's major source of funding so quality service is important. Using the Polk Directory helps us meet our objectives."

Wendy Maurer, Chief Operating Officer
Goodwill Enterprises
Victoria, BC
